BACKGROUND

New Vision Consultancy was established in 1st, July 2022 to provide educational consultancy services. Our intention is to explore the educational challenges of the current global age. Bridging the gap between education differences between Bangladesh and developed countries and increasing collaboratively understanding between different cultures. We can assure the students to support from the very first step to the very last step so that they can do their study without any complexity. New Vision Consultancy is one of the top Student Overseas Consultancy in Bangladesh provides educational consultancy services. We are specializes in student placement, career counseling, visa processing and training for foreign education. We are a trusted partner, nominated agent and authorized representative in Bangladesh.

Mission

Our mission is to place genuine education minded students at genuine education providers. To be recognized as one of the most reliable names in promoting overseas education globally, and therefore exploring and expanding market opportunities, resulting in providing the highest quality of information, support and services to the students, keeping in sync with ethics, values and integrity.

Vision

To maintain the highest standard of professionalism, performance and quality to establish exemplary excellence in higher education, and work together with prospective students and overseas colleges, universities and associate organizations.

To successfully place students for the course at an institution only that is in the best interest of the student or their profile.

To nurture and serve our students to achieve their goals and fulfill their dreams. We want to provide our students with the best education service possible, and a wanted and meaningful life.
